### PHASE I: Where We Want To Go

Long-Term View

### PHASE II: Where We Are Now

Situation Analysis

### PHASE III: What We Must Do To Close The Gap

Strategic Plan

**Transcontinental Consulting, LLC (TCC)** is a certified Minority Business Enterprise that takes pride in developing and maintaining lasting relationships with our business partners, both domestic and international. Our mission is to identify opportunities and solve problems for clients in the commercial, government, and nonprofit sectors by identifying and executing solution-based business and management consulting services that align with your organization's strategic vision.

**Transcontinental Consulting** offers a full range of innovative and cost-effective business solutions designed to meet the demands of today's dynamic mission-critical requirements. TCC has the technical, and operational experience necessary to support all phases of the development life cycle. Our certified consultants have strong strategic business, technical, and operational backgrounds which enable us to better comprehend your business needs. We help clients combat critical decisions and improve outcomes in complex systems through data-driven research. Our innovative approach is solution-based and strategic to reduce risks and to improve our clients domestic and global business position.
